| Seating Capacity                                       | 3 + 1 Persons                                                                                                                                                                                                                                                                                      |

Further based on the trials conducted on the above Model and its variant, these are **meeting BS-III** norms for compliance of Central Motor Vehicle Rule, 1989 as certified by the ARAI, Pune as per their Certificate No **AAIN-0280, Dated 30.09.2013**. Further, in NCR Areas (Notified Areas) smoke emissions BS-III & IV may be adhered to strictly as amended by the Govt of India from time to time. Further, the approval has been given on the following condition:-

**"That the registration will be done as per the provisions of Motor Vehicles Act/Rules, including compliance with the emission norms, as applicable in the area."**

All Registering Authorities of Haryana State are therefore, requested to accept the above model for registration as 'Transport Vehicle' in the Haryana State subject to the fulfilment of the provisions of the Motor Vehicle Act, 1988 and rules framed there under.

Dated: 28.05.2014
