**Subject: Interaction of NHAI officials with the States - regarding**

Sir,

In the meeting held with the Committee on 25<sup>th</sup> May, 2017, Chairman, National Highway Authority of India stated that their officers have been attending the meetings of the State Road Safety Council and District Road Safety Committees as special invitees only and sometime they are not invited at all. He was of the view that in order to have interaction with the State Govts more frequently and attend all meetings of the Council / Committees, it would be appropriate if their officers are notified as members of the Council / Committees.

2. The Committee feels that suggestion made by the Chairman, NHAI will help to bring closer coordination between States and NHAI. The Committee, therefore, requests the State Govts. to make the Regional Officer and the Project Officer of the respective areas of NHAI members of the State Road Safety Council and the District Road Safety Committee respectively.

**Yours faithfully,**
