The Hon'ble Supreme Court is closely monitoring the progress of installation of HSRP and third registration mark. It has been seen that many vehicles are plying without HSRP and third registration mark. This is a bad reflection on the working of the enforcement officers. The vehicles plying without HSRP and third registration mark must be vigorously challaned and a statement to this effect must be sent to the Head Quarter every month. Unless such vehicles are challaned they will not care for the HSRP and third registration mark. The progress report of the field officers shall be submitted to the Hon'ble Supreme Court on the next date of hearing in the relevant case.

To sensitise the vehicle owners in this respect, the challaning actions must be given wide publicity through press notes with the help of public relations officers.
